Reentry & Risk Stabilization Assessment

1. **Current Risk Factors:** The pending December 2024 charges represent the participant's primary legal barrier. Legal navigation support is being coordinated to ensure court appearances, attorney communication, and character letters documenting Turn90 performance.
2. **Support System & Protective Assets:**
 - Resides in structured, supportive Oxford House recovery environment.
 - Verified valid South Carolina Driver's License in good standing.
 - Holds active ServSafe food safety credentials with 10+ years of culinary industry experience.
3. **Primary Reentry Focus:** Maintaining sobriety, achieving kitchen management / sous chef employment with target earnings of \$45k–\$80k, and maintaining proactive communication with defense counsel.
